DRAFT #1  
6 October 1980

MEMORANDUM FOR: Chief, Policy Control Staff

FROM:

[REDACTED]  
FBI Liaison Officer

SUBJECT:

[REDACTED] Reports

1. Approval of the Operations Directorate is requested for the Federal Bureau of Investigation to forward to its Establishment offices in the United States Operation Directorate reports marked [REDACTED] at the discretion of the Federal Bureau of Investigation rather than requesting approval on a case by case basis.

2. The Establishment offices of the Federal Bureau of Investigation are those elements tasked as headquarters extensions to execute primary responsibility for coverage of potentially hostile foreign establishments and personnel in the United States. The documents will be evaluated by the FBI Washington and dispatched to Establishment offices on the basis of need-to-know and applicability to mission.

3. Approval of this request would facilitate administrative procedures and reduce the number of individual release requests. This request is in keeping with the intent of the provisions of DCID 1/7.

4. Your approval is recommended.
